Cherry Capital Airport Conducts Every Third Year Fire & Emergency Planning Exercise Thursday, August 18th

Regular Terminal Traffic Will Be Maintained During the Day of Training

Traverse City, MI - Cherry Capital Airport officials will conduct an emergency planning exercise in accordance with federal regulations tomorrow, **Thursday , August 18, 2016**. Each year airport officials and support services including the Traverse City Fire Department, Traverse City Police Department, and Munson Medical Center come together for training and evaluation. Every three years the Emergency Plan is exercised to test and train those associated with the plan.

Simulation will take place on the grounds of Cherry Capital Airport. Training exercises are the result of simulated acting and role playing. Evaluators will be on hand during the entire day of timed simulation which begins at 6:00 p.m. Thursday, August 18, 2016.

Regular terminal traffic will be maintained during the day of Training. **Media is welcome to attend by checking in at 5:00 p.m. on Thursday.** Members of the media are asked to report to the conference room located on the second floor of the terminal building.
