Flying TVC

Please Arrive 90 Minutes Prior To Departure Time

TVC - Cherry Capital Airport officials would like remind all passengers to arrive and begin their check-in process 90 minutes prior to departure time. With several morning flights departing within a few minutes of each other and the TSA screening procedures, passengers need more time to complete the entire check-in process. Early morning flights are of particular interest, as three flights depart TVC around the 6:00 a.m. hour – Passengers that do not get to the gate in a timely manner for the airline boarding process are in some cases being turned away by the airline. Please arrive early to avoid long wait times in the passenger screening process and the potential of missing your flight.
