### **American Airlines to Offer Daily Summer Non-Stop Flights between Charlotte-Douglas International Airport (CLT) and Cherry Capital Airport (TVC)**

**(Traverse City, Michigan)** – On the heels of last week’s new service announcement to Philadelphia International Airport (PHL), Cherry Capital Airport (TVC) is pleased to share that American Airlines plans to further expand its seasonal summer schedule by offering **DAILY** non-stop service to Charlotte-Douglas International Airport (CLT).

Launching on June 3, flights will depart CLT at 1:45 p.m. and arrive at TVC at 3:57 p.m. The return flight will depart TVC at 4:27 p.m. and arrive at CLT at 6:51 p.m. Flights will be operated on CRJ-900, equipped with 76 seats in a two-cabin configuration.

“American Airlines offers two great new opportunities by adding Philadelphia (PHL) and Charlotte to our destination line-up. This is a great sign for our industry’s return as flying continues to be the safest way to travel,” stated Kevin Klein, TVC Airport Director.

TVC Airport officials and American are working together to make it easier for customers traveling between the Eastern United States and the Traverse City region.

“As more customers look for opportunities to get away, American is eager to expand travel options to the Traverse City region,” said Brian Znotins, Vice President of Network Schedule and Planning for American. “In-airport and on board, our team has taken every effort to ensure the well-being of customers throughout their travels while offering more flexibility and choice than ever before.”

In addition to recently announced service to Charlotte and Philadelphia, American also offers customers convenient service to other markets across the country, including:

- Daily year-round service to Chicago O'Hare International Airport (ORD)
- Daily seasonal service to Dallas-Fort Worth International Airport (DFW) beginning May 6
- Seasonal weekend service to New York LaGuardia Airport (LGA) and Washington Reagan National Airport (DCA) beginning June 5
